DEEL Newsletter Summer 2013

Good News!

From September 2013, DEEL is creating a great new way that you can access our resources. We know how busy your life as a teacher can be so we have created ready to go resources with books, games, artefacts and multimedia in boxes for you to pick up or for us to deliver to you.

(45p a mile delivery charge)

Membership will be priced at just £10 a year and will include all half termly loans to a school including artefacts.

One World Week begins on 20th October this year, just before half term and is an ideal time to celebrate in school our links with the wider world

We now have country themed boxes for **China**,

India and Kenya, as well as our very popular **Ghana bag** resource with clothing, everyday items, puppets and games for use in KS1-3.

Kenya Box

Borrow our popular **Fairtrade box** at any time of the year – don't just wait for Fairtrade Fortnight. Link it with a Sale or Return box which gives you a

selection of Fairtrade items to sell in your school – you just collect the money and return unsold items to us.

EYFS Global Resource.

A new **Growing Up Global** box, based on the book of the same name, is a new resource for EYFS. It includes lots of teaching ideas, story books, photos, props and can be easily adapted for KS1-2 as well.

Other boxes for loan include **Art, Faces and Masks, Food and Farming, Technology and Recycling** and **Water around the World**, which are suitable for KS2/3. Finally, a box to delight children (and adults) of any age, our **Chocolate, Coffee and Bananas** box, for use in KS1-3, links to many areas of the curriculum and includes games, photo packs and a blow up banana.

RESOURCES

Climate Choices - Children's Voices

Aimed at teachers of children aged 9-11 years. In addition to introducing climate change, the site looks at how food choices impact on climate change and how climate change is affecting food supply. A range of resources, including video clips, presentations, games and worksheet-based activities are provided to use as appropriate.

Have you got your [Global Wallplanner](#) for the next school year yet?

Contact DEEL for your free copy.

The Global Dimension website has uploaded a new PDF **photo teaching resource**, based on the food & farming pictures featured in the wallplanner. It aims to provoke critical thinking, using the photos as a jumping off point to explore lots of food & farming perspectives. Find surprising and interesting items to engage your students' interest and enthusiasm, and to encourage them to research and discuss further.

Message in a Book

Message in a Book is a fun way to engage your pupils with global learning, literacy and active citizenship. Supporting geography and literacy, including persuasive writing, it's also a chance for you and your pupils to make a real difference. www.oxfam.org.uk/education

Do you know anyone who would like a Newsletter or who might benefit from a Global Box loan? Let them know about DEEL and help them to enjoy the benefits of the new membership prices.

We wish all teachers a happy summer break and look forward to seeing you in the Autumn Term.
